

Jack Walters Award

This award is for any athlete of any ability it starts and ends at the first Mini league track and Field event each year and in a normal year covers 14 events.

The candidates need to attend every mini league event, Track & Field, Cross Country and Sportshall. Events that are special like Quadkids, Regional events and single age events are not included.

We do not look for super achievement and club records, we look for steady improvement, willingness to complete Club attendance, Sportsmanship along with helpfulness to coaches and other athletes

These were Jack's attributes in his long career in Athletics from 1943 to 2016. He was Chairman of Notts Mini League for many years and he attended all our competitions in all weathers whether Track and Field, Cross Country or Sportshall.

In fact he was time keeping at Sports Hall just two weeks before he died, handing out sweets and encouraging the Athletes. Jack's legacy is his encouragement of our athletes and the mentoring of new younger timekeepers even up to the last few weeks of his life.

His dedication and kindness will always be remembered by this award and we will all continue to miss him greatly.

You do not have to apply for this award just attend events and enjoy Athletes and if you fit in to the criteria you will be selected later in the season. But remember the count starts on the 26th June at Bingham.
