#### **Please note**

The times shown in these results are all subject to a slight error  
 they should not be used for personal best achievements  
 They will not be used for mini League records  
 They will not be added to the Power of Ten ( field events will be added)

The problem that came to light on Monday was that the signal from the Starters gun was at default and different ammunition was not available so after an on site discussion between the time keepers and starter it was decided not to abandon the races but to carry on

The time keepers work firstly from the flash of the starters gun which comes before the smoke and the noise. This new batch of gunpowder was not giving a flash or any smoke, hence they had to work from the noise or even the movement of the athletes if the crowd noise was too great. This could make the times recorded up to 0.3 of a second quick depending on the location of the starter which has caused a lot of athletes to be showing personal bests and new records to be created in the results. We apologise for this and back up measures have been put in place for future events plus the gun smith as been approached to ensure this never happens again.

### **Athlete of the Match Details 2015**

This is based on a Girl and Boy Athlete of any age, guest or scorer who attains the best achievement of the day which is then rated against grade 1 in that event. This award will be awarded separately for Track and Field events. This award may be awarded to the same athlete a maximum of twice per season, provided that one achievement is a "Field Event" and the other is a "Track Event"

Please note in the following results all the U11 Grades are locally compiled and are not Nationally recognised. All the other grades unless mentioned above are generated from the AAA common standards scheme 2015 / 2016
